“

Positioned as the preferred choice for transforming diverse natural resources, TORSA offers comprehensive solutions for every challenge, irrespective of their complexity & scale.

”

A Legacy of Excellence and Versatility

Marking twenty-five years of manufacturing excellence, TORSA's impact is evident from the depths of mines to the heights of skyscrapers. Our presence reflects our dedication to quality and our continuous drive for innovation. As India's infrastructure evolves, TORSA remains at the forefront, driving the industry forward and proactively meeting its ever-changing demands. Our extensive product range, renowned for its versatility, is designed to meet the multifaceted needs of our clients, ensuring flawless integration and peak performance in projects of any scale.

ONE STOP SHOP FOR SKID, STATIONARY & MOBILE CRUSHING PLANTS

Maximizing Productivity, Ensuring Lowest Operating Cost

TORSA sets the standard in productivity while ensuring operational costs are kept to a minimum. Our steadfast commitment to quality, combined with a strategic approach to cost management and an in-depth understanding of the crushing sector, enables us to consistently enhance efficiency and uphold excellence in our crushing solutions.

Material Expertise at the Core of Our Solutions

**BASALT • GRANITE • LIMESTONE • IRON ORE
FELDSPAR • SANDSTONE • GYPSUM** & beyond.

Choose TORSA. Pioneering Efficiency, Delivering Excellence

INTRODUCING THE

TORSA

**STATIONARY SC15
SKID SK15, SK20 & SK25**

Designed to meet the high demands of mineral resellers and large-scale projects, these plants embody efficiency and quality. With IoT integration, automated controls, safety features, surge hoppers, and dust suppression systems, the S Series upholds its reputation as an indispensable asset for investors seeking reliable, high-performance crushing and screening solutions.

Engineered for Maximum Productivity

High Return On Investment

Minimal Operating Cost

2500+ Installations
across India, Bhutan & Nepal

TORSA S SERIES - TECHNICAL SPECIFICATION

MODELS		SC15/ SK15		SK20		SK25	
ITEMS	MODEL	POWER (KW)	MODEL	POWER (KW)	MODEL	POWER (KW)	
GRIZZLY FEEDER	TVGF H 1000X3500	4.3 X 2	TVGF I 1250X4500	7.5 X 2	TVGF I 1250X4500	7.5 X 2	
PRIMARY JAW CRUSHER	TJC 3624	75	TJC 4532	110	TJC 4532	132	
SECONDARY CONE CRUSHER	TCC 1000	90 - 110	TCC 1150	110 - 132	TCC 1300	132 - 160	
TERTIARY CRUSHER	3 STAGE	TVSI 100	55 - 110	TVSI 200	150 - 264	TVSI 300	320 - 500
VIBRATING SCREEN	2 STAGE	TVS 165F	22.5	TVS 186F	30	TVS 206F	30
	3 STAGE	TVS 165T X 2	18.75 X 2	TVS 186T X 2	22.5 X 2	TVS 206T X 2	30 X 2

** ALL CAPACITIES ARE CONSIDERED @ 1.6 T/m3 BULK DENSITY

Why Choose TORSA S SERIES?

- **Great Productivity**
High throughput achievable with the S Series, tailored for 150 – 300 TPH operations.
- **Robust Design**
Sturdy construction ensuring longevity and reliability even under demanding conditions.
- **Innovative Feeding**
Horizontal Vibro Feeder with adjustable strokes for optimal feed rates.
- **Customizable Output**
Two and three-stage configurations allowing for flexible production needs.
- **Adjustable Crushing Mechanism**
Single Toggle Jaw Crusher with Mechanical Gap Setting adds a layer of operational control and precision in output size.
- **High-Speed Solutions**
High Speed Cone Crusher and TORSA S-Series VSI for quick, efficient processing.
- **Screening Precision**
High-capacity circular motion screen with adjustable stroke for precise material classification.
- **Enhanced Material Handling**
Optional intermediate surge hopper with pan feeder option offers enhanced material management and storage solutions.
- **Environmental Consideration**
Optional features like the Dust Suppression System for eco-friendly operations.
- **Safety First**
Optional ZSS, PSS, Emergency Stop Switches and IoT integration for enhanced safety and control.

TORSA COMMITMENT
#ReliabilityInEveryTORSASeriesUnit

● **Guaranteed On-Time Delivery**

● **1 Year Warranty**

Inclusive of Supervision charges for erection & commissioning

● **Comprehensive Transport support**

Logistics tailored to your needs

● **Lifetime Free Service**

When using ORIGINAL SPARE PARTS

● **Dedicated Spares & Service Support**
